

ARTEFACT ANALYSIS SHEET

Observe the artefact and try to answer the following questions. Explain your answers:

1. Describe the object: Type, shape, material, colour, etc.

2. What condition is it in?

3. When does it date from?

4. Is it a written document? If so, read the document about primary sources.

5. Is there an inscription on it? In what language?

6. What can be said about the object's owner?

7. What does it teach us about the people who used it or who could have been affected by it?

8. How big do you think this object is?

9. Who do you think made this object?

10. Where do you think this object came from? Where was it used?

11. What do you think this object was used for?

12. What does this artefact teach us about the Holocaust? About World War II?

13. Do objects like this exist today?
