## How to use the *Yom Hashoah Virtual Commemoration Toolkit*?

---

The Montreal Holocaust Museum (MHM) has prepared the following toolkit so that you can commemorate Yom Hashoah with your students, in class or virtually.

### 1. MATERIALS:

#### For the commemoration

- [Slideshow](#)
- [Slideshow procedures](#)

#### Optional extension activities

- [Extension Activity worksheet](#) - Elementary level
- [Extension Activity worksheet](#) - Secondary level

### 2. COMMEMORATION SLIDESHOW:

- The commemoration has been designed to fit into one 40-minute class period.
- Optional opportunities for student participation are highlighted in the procedures.
- To share the commemoration slideshow with your students, open the slideshow, then start your video-conference and share your screen.
- Materials: candles (either candles and matches, LED candles or students' hand-drawn candles)

### 3. OPTIONAL EXTENSION ACTIVITIES:

These activities have been adapted to both elementary and secondary students and can be done whenever you choose.
